Major Curriculum Change Requests:

KUSON: University of Kansas School of Nursing represented by Cynthia Teel, PhD, RN, FAAN and Karen Miller, PhD, RN, FAAN requests to create a new course, NRSG 801 to better meet expectations for advanced practice nurses and to decrease practicum hours for Advanced Practice specialization at the master's level from 704 to 576. NRSG 810 will be replaced with NRSG 801.

Rational for the change: To better meet expectations for advanced practice nurses, removing the clinical practicum requirement (128 practice hours) that had been in the previous assessment course (NRSG 810) and adding additional content in clinical reasoning: NRSG 812, Advanced Pathophysiology, has been listed as prerequisite/corequisite.

It was moved to approve the Major Curriculum Change Request from University of Kansas School of Nursing Graduate Program to create a new course NRSG 801 to better meet expectations for advanced practice nurses, removing the clinical practicum requirement (128 practice hours) that had been in the previous assessment course (NRSG 810) and adding additional content in clinical reasoning. NRSG 812, Advanced Pathophysiology, has been listed as prerequisite/corequisite. Practicum hours for Advanced Practice specialization at the master's level decreased from 704 to 576. Motion #5 Mills/Catanzro Adopted

HCCTC: Highland Community College Technical Center represented by Cynthia Jacobson, MSN, RN and Jennifer Hamilton requests to offer NUR220 LPN to RN transition as an online course instead of a classroom course.

Rational for the change: Offering this course online is the first step in online education for the nursing curriculum. Offering the course online frees up class time so that material in other courses can be spread out.

It was moved to approve the Major Curriculum Change Request from Highland Community College Technical Center for their LPN to RN Program to offer NUR 220 LPN to RN Transition as an online course instead of a classroom course starting January 2013. Motion #6 Bonnel/Hensley Adopted.

HCC: Hutchinson Community College represented by Sandra Pangburn, RN, MSN requests to delete the General Education requirement of ED105 Success Seminar/College Orientation and add PN104 PN Program Orientation course.

Rational for the change: Would like to move all General Education course to pre-requisites while course is very beneficial for first time/first semester college freshmen it does not meet all the needs of the PN Program. We feel we could better prepare them for the PN Program by requiring the new PN104 PN Program Orientation course.

It was moved to approve the Major Curriculum Change request from Hutchinson Community College PN Program to delete ED105 Success Seminar/College Orientation as a General Education requirement. Move all General Education Courses to pre-requisite courses. Add PN104 PN Program Orientation course. Restructure the sequence of the PN courses in the Part-time program to begin in the spring instead of the summer. Major Curriculum Change was tabled at their request for March 2013 Education Committee.

Break: 10:00 a.m.

Open Session: 10:25 a.m.

MNU: MidAmerica Nazarene University represented by Susan Larson, PhD, RN requests the following Major Curriculum Change Requests (MCCR):

MCCR #1: Request to increase student enrollment from 100 to 300 students, allowing for a second ABSN program and growth in the TBSN program.

Rational for the change: MNU has expanded facilities which include additional simulations labs, technology equipped classrooms and nursing faculty offices. Demand for qualified nurses in region is strong and continues to grow.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Traditional BSN and Accelerated BSN Programs to increase student enrollment from 100 to 130 students, allowing for a second ABSN program cohort (one each January and August) as well as growth in the TBSN Program. Motion #7 Martin/Mills Adopted

MCCR #2: Request dissolution of NURS 4583 Concepts of Care III (clinical Course) and pro-rata reallocation of credit hours to NURS 4502 Community Health Nursing; NURS 4302 Pediatric Nursing; and NURS 4102 Maternal & Women's Health Nursing.

Rational for the change: To facility more homogenous learning experiences for all students; and to better align didactic and clinical education.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Accelerated Baccalaureate Nursing Program for dissolution of NURS 4583 Concepts of Care III (clinical course) and pro-rata reallocation of credit hours to NURS 4502 Community Health Nursing; NURS 4302 Pediatric Nursing; and NURS 4102 Maternal & Women's Health Nursing. Motion #8 Hensley/Catanzaro Adopted.

MCCR #3: Request change in course name and description associated with NURS 4502 Community Health Nursing.

Rational for the change: Addition of one credit hour to NURS 4502 would ensure that all students complete a clinical rotation in community and/or non-acute-care-based settings.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Accelerated Baccalaureate Nursing Program to change course name to Population Based Health and description associated with NURS 4502 Community Health Nursing. Motion #9 Hensley/Mills Adopted

MCCR #4: Request change in course description associated with NURS 4302 Pediatric Nursing.

Rational for the change: Reflects the potential for integration of simulation as an adjunct to hospital and community-based clinical learning experiences.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Accelerated Baccalaureate Nursing Program

to change course description associated with NURS 4302 Pediatric Nursing. Motion #10 Cantanzaro/Bonnel Adopted

MCCR #5: Request change in course description associated with NURS 4102 Maternity & Women's Health Nursing.

Rational for the change: Reflects the potential for integration of simulation as an adjunct to hospital and community-based clinical learning experiences.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Accelerated Baccalaureate Nursing Program to change course description associated with NURS 4102 Maternity & Women's Health Nursing. Motion #11 Cantanzaro/Bonnel Adopted.

MCCR #6: Request change in course sequencing (moving NURS 4302 Pediatric Nursing from Module 5 to Module 4 and NURS 4213 Nursing Research and Evidence-Based Practice from Module 4 to Module 5).

Rational for the change: Will facilitate clinical placement in pediatric settings.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Accelerated Baccalaureate Nursing Program to change course sequencing (moving NURS 4302 Pediatric Nursing from Module 5 to Module 4 and NURS 4213 Nursing Research and Evidence-Based Practice from Module 4 to Module 5). Motion #12 Cantanzaro/Hensley Adopted

MCCR #7: Request addition of a new course, NURS 3203 Pathophysiology.

Rational for the change: Students will be better prepared for clinical courses if pathophysiology content is delivered as one course during the first semester of the nursing program.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Traditional Baccalaureate Nursing Program to add a new course, NURS 3203 Pathophysiology with the following changes: 1) three semester credit hour course from a two semester credit hour course offered per semester for two consecutive semesters for a total of four credit hours and 2) change in course delivery method to include online, hybrid and on ground. Motion #13 Martin/Catanzaro Adopted.

MCCR #8: Request addition of a new course, NURS 3103 Pharmacotherapy and Nursing Care.

Rational for the change: Students will be better prepared for clinical courses if pharmacology content is delivered as one course during the first semester of the nursing program.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Traditional Baccalaureate Nursing Program to add a new course, NURS 3103 Pharmacotherapy and Nursing Care with the following changes; 1) replacing, Pharmacology course sequence current with NUS 3103 and 2) change the delivery methods to include online, hybrid and or on ground.. Motion #14 Martin/Catanzaro Adopted.

MCCR #9: Request addition of a new course, NURS 2183 Fundamentals of Nursing Care.

Rational for the change: Students will be better prepared for clinical courses if this content is delivered as one course during the first semester of the nursing program.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Traditional Baccalaureate Nursing Program to add a new course, NURS 2183 Fundamentals of Nursing Care with the following changes 1) replace current Basic Nursing 1 and 2 (three credit four credit hours and 2) delivery method to include online, hybrid and/or on ground options. Motion #15 Martin/Catanzaro Adopted.

MCCR #10: Request to Change Patient Care Management course from Pass/Fail to ABCD grading.

Rational for the change: The faculty believes that accurate and effective evaluation of students will be better served with a graded method of evaluation.

It was moved to accept the Major Curriculum Request from MidAmerica Nazarene University for their Traditional Baccalaureate Nursing Program to change Patient Care Management course from Pass/Fail to ABCD grading. Motion #16

PCC: Pratt Community College represented by Gail Withers, DNP, APRN, CNE requests to decrease Practical Nursing program by 40 per year, contingent upon approval for Wichita Area Technical College (WATC) to increase Practical Nursing program numbers of the same 40.

Rational for the change: In conjunction with the next phase of the South Central Kansas Nursing Partnership with WATC.

It was moved to accept the Major Curriculum Request from Pratt Community College PN Program to decrease practical nursing students on the Pratt Campus by 40, contingent upon approval for Wichita Area Technical College to increase Practical Nursing students numbers by the same 40, effective fall semester 2013. Motion #17 Hensley/Mills Adopted.

WATC: Wichita Area Technical College represented by Janice Wilson, MSN, RN requests to increase Practical Nursing program number by 40 per year, contingent upon approval for Pratt Community College (PCC) to decrease Practical Nursing program numbers of the same 40.

Rational for the change: In conjunction with the next phase of the South Central Kansas Nursing Partnership with PCC.

It was moved to accept the Major Curriculum Request from Wichita Area Technical College PN Program to increase practical nursing students by 40 students per year, to be located at the Pratt Community College campus, contingent upon approval for Pratt Community College to decrease Practical Nursing program numbers of the same 40, effective fall semester 2013. Motion #18 Hensley/Catanzaro Adopted.

HCC: Hutchinson Community College represented by Debra J. Hackler, MSN, RN requests to increase NR 216 Maternal Infant Nursing to three credit hours.

Rational for the change: The past five (5) years content has been consistently below, (2009, 2010, 2011) the national norm for level of program, per the NCLEX Program Reports provided through Mountain Measurement. In addition to the program reports, Faculty find they consistently spend time re-teaching what should have already been learned either within the clinical environment or while progressing through higher level simulation.

It was moved to accept the Major Curriculum Request from Hutchinson Community College ADN Program to increase NR 216 Maternal Infant Nursing to 3 credit hours in the summer semester online bridge program. Major Curriculum Change was tabled at their request for March 2013 Education Committee.

OSH: Osawatomie State Hospital represented by Bonnie Patton, RN, BSN, MS, Donna Darner, RN, BSN, MS AND Gloria Woods, RN, MSN request application for the approval of the Mental Health Technician Program.

Rationale for the request is to seek approval to reinstate the training program.

It was moved to approve Osawatomie State Hospital to offer a Mental Health Technician Program in Osawatomie with a site visit to occur before approval is given to admit students. Motion #19 Catanzaro/Zeller Adopted.

OSH

Osawatomie State Hospital represented by Bonnie Patton, RN, BSN, MS, Donna Darner, RN, BSN, MS AND Gloria Woods, RN, MSN requests the Licensed Mental Health Technician Refresher Course.

Rationale for the request is to seek approval to reinstate the training program.

It was moved to approve Osawatomie State Hospital to offer a Licensed Mental Health Technician Refresher Course in Osawatomie. Motion #20 Mills/Catanzaro Adopted.

Miscellaneous:

Sabita Pokhrel

Sabita Pokhrel requests the Education Committee to waive the license validation from Nepal.

Rationale for the request: NEPAL license expired in 2010, CGFNS needs validation. Nepal won't give validation with Nepal license being renewed which requires experience in Nepal.

It was moved to grant the waiver of license validation from Nepal for Sabita Pokhrel as a requirement for part of her CGFNS Professional Report required for endorsement. Motion #21 Catanzaro/Mills???

Site Visit Schedule:
