- I. Call to Order
- II. Review of Onsite Packets  
  
No on site packet
- III. Additions/Revisions to Agenda  
No additions or revisions to the minutes
- IV. Minutes
  - A. Approval of September 17, 2002 Minutes  
Motion 1: approval of minutes from 9/17/2002 by Becky McFadden
- VI. Old Business
  - A Regulation revision follow up  
All revised regulations finalized; will be printed in next KSBN newsletter; copies sent to all IV course providers
- VII. New Business
  - A. Pros/Cons of adding IV therapy to LPN curriculum with input from providers, schools, hospitals, and skilled nursing facilities
  - B. State curriculum and test plan

Discussed concerns with adding to LPN curriculum and comments received; reviewed statistics on number of LPNs completing IV certification within first two years after licensure -- of those licensed in FY 2002 only 22% became IV certified in first two years.

Consensus of committee that development of a standard curriculum and state test plan would be more beneficial, especially if the theory could be available on-line. Vera Streit volunteered to pull together a group to look at the development of the curriculum with the possibility of incorporating an on-line approach. Will also review the NCLEX test plan to see what areas of IV administration are covered in the test.

- VIII    Agenda for next IV Therapy Committee meeting  
Next meeting will be held in May on Monday afternoon.

Old Business: Report on standard curriculum development

- XI.    Adjourn
