- Unfinished Business:**
- Donations: M. Blubaugh spoke with Carol Williams, Executive Director of the Ethics Commission and was told that KSBN could not solicit any donations from anyone that we license or regulate and cannot put anything in the newsletter about donations. KSBN could find an outside organization to solicit and they could donate it to KSBN. KSBN can develop something and sell it and that information could be put in the newsletter.
- State Historian/Librarian: M. Blubaugh spoke with the state historian and librarian and they are looking for the information for us.
- New Business:**
- Review packet information: It was discussed to have a ceremonial pin made to sell. Discussion was held to have a reception on July 1, 2013 with refreshments and a ceremonial Board meeting inviting the Governor, Legislators, past Board members, BOHA, KSNA, KANA, EMS, Nursing Schools, KHA, KONL, KANCEP, and the Media. It was discussed to request memorabilia from outside sources and to create a timeline of events and articles for publication in the newsletter each quarter of the year preceding the anniversary.  
M. Blubaugh will check on and bring back in June the companies who will be able to make a pin and the pricing of the pin.
