Break: 9:40 a.m.

Open Session: 9:55 a.m.

Major Curriculum Change Requests:

HCC: Hutchinson Community College ADN Program represented by Debra Hackler, MSN, RN requests to increase the NR216 Maternal Infant Nursing from 2 to 3 credit hours in the summer semester online bridge program.

Rationale for the change: Past five (5) years content has been consistently below, (2009, 2010, 2011) the national norm for level of program, per the NCLEX Program Reports provided through Mountain Measurement.

It was moved to approve the Major Curriculum Change Request from Hutchinson Community College ADN Program to increase the NR216

Maternal Infant Nursing from 2 to 3 credit hours in the summer semester online bridge program. Motion #11 Mills/Bonnel Adopted

HCC: Hutchinson Community College PN Program represented by Sandy Pangburn, RN, MSN requests to add PN104 PN Program Orientation course. Restructure the sequence of the PN courses in the part time program to begin in the spring instead of the summer.

Rationale for the change: Many students already have all of their General Education courses completed at the time of application. Currently there is a semester of General Education courses prior to starting the actual nursing courses which causes frustration for those students that have already completed these courses.

It was moved to approve the Major Curriculum Change Request from Hutchinson Community College PN Program to add PN104 PN Program Orientation course. Restructure the sequence of the PN courses so all general education courses are prerequisite courses. Program hours will remain the same. Motion #12 Catanzaro/Mills Adopted

Fort Scott CC: Fort Scott Community College ADN Program represented by Bill Rhoads, RN, MSN requests to add LPN to RN transition course NUR1251 as part of curriculum.

Rationale for the change: This course is designed to assist the LPN transition from the role of the LPN to that of the RN.

It was moved to approve the Major Curriculum Change Request from Fort Scott Community College ADN Program to add LPN to RN transition course NUR1251 as part of curriculum. Motion #13 Bonnel/Zeller Adopted

NU: Newman University BSN Program represented by Bernadette Fetterolf, PhD, RN, CNS requests a comprehensive revision of the traditional BSN Program in response to the 2009 Standards for Accreditation of Baccalaureate and Graduate Degree Nursing Programs for the CCNE, AACN Baccalaureate Essentials, changing demographics, and faculty and community leader input.

Rationale for the change: Current conceptual framework and curriculum is dated. Emergence of new and future trends offer challenges for educating nurses equipped with the skill sets to meet the demands of diverse complex healthcare environments.

It was moved to approve the Major Curriculum Change Request from Newman University BSN Program for a comprehensive revision of the

traditional BSN Program in response to the 2009 Standards for Accreditation of Baccalaureate and Graduate Degree Nursing Programs for the CCNE, AACN Baccalaureate Essentials, changing demographics, and faculty and community leader input. Motion #14 Catanzaro/Bonnel Adopted

HCC: Highland Community College, ADN Program represented by Cynthia Jacobson, MSN, RN requests to offer NUR240 “Nurse as Manager of Care” as an online “hybrid” course instead of a classroom course starting Summer Semester 2013.

Rationale for the change: Change in delivery will create more focused time available to the student for clinical application and in the development and implementation of the required individual and group community projects required for the course.

It was moved to approve the Major Curriculum Change Request from Highland Community College ADN Program to offer NUR240 “Nurse as Manager of Care” as an online “hybrid” course instead of a classroom course starting Summer Semester 2013. Motion #15 Martin/Catanzaro Adopted

Benedictine: Benedictine College BSN Program represented by Lynne Connelly, PhD, RN requests to reduce the credit hours for NU364 Pharmacology II from 3 to 2 and increase the credit hours for NU350 Maternal-Child Nursing from 3 to 4.

Rationale for the change: NU350 Maternal Child Nursing covers the didactic for two major clinical areas: obstetrical nursing and pediatric nursing. The material necessary to cover these clinical areas is difficult to cover in a three hour course.

It was moved to accept the Major Curriculum Change Request from Benedictine College BSN Program to reduce the credit hours for NU364 Pharmacology II from 3 to 2 and increase the credit hours for NU350 Maternal-Child Nursing from 3 to 4. Motion #16 Mills/Bonnel Adopted

KWU: Kansas Wesleyan University Division/Department of Nursing Education BSN Program represented by Linda Adams-Wendling, PhD, APRN, GNP-BC requests the following Major Curriculum Change Requests (MCCR):

MCCR #1: Request the option to deliver NURS318 Pharmacology, NURS375 Pathophysiology and NURS450 Leadership & Management courses as face to face, hybrid, or on-line. No change in course content or description for any of these courses would occur.

Rationale for the change: This will allow flexibility for completion of these courses for students who are transfers, live a significant distance from the campus, or are taking course on campus that conflict with their schedule

It was moved to accept the Major Curriculum Request from Kansas Wesleyan University Division/Department of Nursing Education BSN Program the option to deliver NURS318 Pharmacology, NURS375 Pathophysiology and NURS450 Leadership & Management courses as face to face, hybrid, or on-line. No change in course content or description for any of these courses would occur. Motion #17 Martin/Bonnel Adopted
