Unfinished Business:

Revocation of licenses:

Discussion on revocation for specific time; Nebraska and Colorado have a two year time period to reapply and Missouri has a one year time period to reapply; NCSBN has no model language for revocation of license. Also a discussion on “suspension” and “revocation”.

Committee would like to meet with AAG on discipline

New Business

Discussion by Diane Glynn of the results of her CNE audit results.

Discussion regarding the KNAP quarterly audit; staff states there has been an improvement, but that KNAP does not consider a relapse as being a non-compliance issue. Need to define definition of non-compliance, possibly add “Contractual” non-compliance for clarification.
