

CONTINUING NURSING EDUCATION  
FY 2003  
(July 1, 2002 - June 30, 2003)

The Kansas State Board of Nursing (KSBN) recognizes nurses as adult learners with continuing education needs as professionals and licensees. KSBN requires 30 contact hours of continuing nursing education (CNE) for relicensure in accordance with K.S.A. 65-1117. To facilitate the learning needs of licensees, KSBN has established the following options for acquisition of CNE:

- ◆ Kansas State Board Approved Long-Term CNE Providers and Single-Program Providers
- ◆ Individual Offering Approval (IOA)
- ◆ College Course Credit
- ◆ Providers approved by other state boards of nursing or national nursing organizations/associations

**I. LONG-TERM CNE PROVIDERS**

A. **Definition** - Long-Term Providers are persons, organizations or institutions approved by the Board to implement multiple offerings for CNE credit towards RN, LPN and LMHT relicensure.

B. **Numbers of Long-Term Providers** Please visit our web site for a complete list of providers:

<http://www.ksbn.org/cne/LTProvLst.doc>
