• Competency issues (negligence, knowledge, skill)
• Boundary issues (sexual, financial)
• Abuse (physical, verbal, exploitation)
• Disabilities that interfere with licensee's ability to provide safe care
• Patterns of conduct, repeated violations
Social Media

Social media use is ubiquitous, but inappropriate posts by nurses have resulted in licensure and legal repercussions. NCSBN has developed guidelines for nurses and nursing students for using social media responsibly. Key points of these guidelines are summarized, along with dramatization of potential scenarios of inappropriate social media use.
