NOW ON THIS 13th day of January, 2011, the Kansas State Board of Nursing, represented by Assistant Attorney General, Danielle R. Sanger, and the Respondent, Michele A. Moore, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent's license to practice nursing in Kansas lapsed. Respondent submitted a reinstatement application on 8/9/2010. The Board has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 4505 W 77th St., Prairie Village KS 66208.
3. The Respondent understands that pursuant to K.S.A. 77-515, Respondent may be represented, at Respondent's expense, by an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the Respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 *et seq.* to examine, license and renew licenses for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.
6. Respondent entered into a Consent Agreement and Final Order on 3/14/2007 in order to resolve a discipline case, #06-057-7.

7. As set out in the Consent Agreement dated 3/14/2007, Respondent agreed to complete the following conditions and requirements:

- a. Respondent shall return his or her current license card to the Board with this Consent Agreement. Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.
- b. Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor Respondent and for KNAP to report information to the board. Respondent will be deemed to have completed the KNAP program when KNAP issues written notification that Respondent has completed the program. Noncompliance with KNAP is a violation of this agreement.
- c. Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the Respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.
- d. Respondent shall not seek or accept employment with a nursing registry, a temporary nursing service or agency, a home health care service or agency, or as a private duty nurse during the term of this agreement.
- e. Respondent shall not practice without direct supervision during the term of this agreement.
- f. Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

 - i. Respondent shall not violate the Kansas Nurse Practice Act during the duration of this agreement.
 - j. Respondent shall not violate the laws of the United States, of State, or of any political subdivision of any State during the term of this agreement. Traffic infractions shall not be considered violations of the law.
 - k. Respondent agrees to pay a fine of \$100.00 representing work during two (2) calendar months of unlicensed practice. The unlicensed practice fine of \$100.00, will be paid to the Board by money order, upon entering into this agreement. Failure to pay the unlicensed practice fine as outlined in this paragraph is a violation of this Consent Agreement and Final Order.
 - l. Respondent agrees to notify the Legal Division of any changes in address and phone number as well as all employment terminations or employer changes or additions. All such notifications shall be made in writing within fourteen (14) days of such a change.
8. On or about 11/25/2008, the Board received information regarding Respondent, alleging that on or about 11/17/2008, Respondent refused a urine drug screen while employed at KVC Behavior Healthcare, Kansas City Kansas through the staffing agency, Metropolitan Nursing, Overland Park Kansas.
9. Metropolitan Nursing, Overland Park Kansas, is a staffing agency which provides health care professionals for short and long-term staffing needs.
10. On or about 12/08/2008, a new case, #08-1083-7, was opened on Respondent to investigate the above-referenced information.

11. On or about 1/1/2009, Respondent's RN license lapsed; therefore, case #08-1083-7 was closed.
12. On or about 7/6/2009, Respondent contacted the Board and stated that she had 3.5 fingers amputated and was scheduled to have ½ finger amputated on 7/17/2009. Respondent also stated that the amputations were due to being restrained while she was in the hospital for pneumonia. Respondent stated she was unsure whether she was going to try to reinstate her license because of the amputations.
13. On or about 8/9/2010, Respondent submitted a reinstatement application to the Board.
14. In a letter dated 8/27/2010, Respondent was informed that her reinstatement application, including the physical injury to her left hand, was reviewed by the Investigative Committee chairperson on 8/18/2010, and the decision of the chairperson was for Respondent to be evaluated by a physician to determine her ability to practice nursing safely.
15. On or about 9/3/2010, Respondent had an independent medical evaluation completed by Lynn A. Curtis, MD, Topeka Kansas.
16. On or about 9/16/2010, the Board received a report from Lynn A. Curtis, MD, regarding Respondent, which stated Respondent cannot write with clarity (unless through the use of amanuensis), cannot draw a syringe, cannot start an IV, cannot use sterile gloves, cannot set up sterile fluids, and cannot participate in a code.
17. The independent medical evaluation report also stated that it appeared that:
 - a. Respondent had all of the functional credentials with a restriction of 0-25 pounds for lifting, pushing, pulling, and carrying to perform as a Nurse Educator; Respondent would have difficulty with emergencies and direct patient care, and would not be able to perform these tasks as a Resource Person; Respondent would be qualified as a Surgical Services Educator with a restriction of 0-25

pounds for lifting, pushing, pulling, and carrying; Respondent would not be qualified as a Staff RN due to the requirement of direct patient care.

18. The above incidents are violations of the nurse practice act. The Respondent agrees that the Board is prepared to prove that Respondent has violated: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(r), failing to comply with any disciplinary order of the board; and K.S.A. 65-1120(a)(3), professional incompetency by K.S.A. 65-1120(e)(3), a pattern of practice or other behavior which demonstrates a manifest incapacity or incompetence to practice nursing, and K.S.A. 65-4924, reports relating to impaired providers; procedures.
19. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.
