Case No. 08-299-0
License No. 14--042

SUMMARY ORDER

Dear Ms. Gray:

The Investigative Committee of the Kansas State Board of Nursing (KSBN) has reviewed your application materials. It is the decision of the Board that your endorsement application to practice nursing as a registered nurse in Kansas is denied until you complete your probation in Missouri. This denial is based upon the following:

FINDINGS OF FACT

1. (a) On or about 6/25/2007, the Board received Respondent's application for endorsement of her license to practice nursing in the state of Kansas as a registered nurse.

CONCLUSIONS OF LAW

2. Pursuant to K.S.A. 65-1120(a), the Kansas State Board of Nursing may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure a licensee or holder of a certificate of qualification or authorization, if the applicant, licensee or holder of a certificate of qualification or authorization is found to have violated the Nurse Practice Act. The above fact findings establish evidence that the applicant violated the following provisions of the Nurse Practice Act:

(a) On or about 1/18/08 the applicant entered in to a settlement agreement with the Missouri Board of Nursing. The agreement was entered into due to the applicant's addiction to methamphetamine. Respondent had a positive urine screen in August 2006 while at work.

(b) Respondent entered into a five (5) year probation with Missouri Board of Nursing that includes monitoring and compliance requirements. She has approximately four and a half years left on probation in Missouri.

3. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency when denying an application in whole or in part.

4. (a) K.S.A. 65-1120(a)(8), to have a license to practice nursing as a registered nurse or as a practical nurse denied, revoked, limited or suspended, or to be publicly or privately censured, by a licensing authority of another state, agency of the United States government, territory of the United States or country or to have other disciplinary action taken against the applicant or licensee by a licensing authority of another state, agency of the United States government, territory of the United States or country.

(b) K.S.A. 65-1120(a)(4), to be unable to practice with skill and safety due to current abuse of drugs or alcohol.

5. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

6. If you wish to dispute this matter, contact the Board immediately by following the procedure for requesting a hearing. A copy of your application will be sent to you upon request.

7. Pursuant to K.S.A. 77-537, this decision, which is called a Summary Order, is subject to your request for a hearing. If you desire a hearing, you must submit or direct a written request for hearing to:

Kansas State Board of Nursing
Legal Division
900 SW Jackson, Suite 1051
Topeka, Kansas 66612-1230
