

60-15-103. Supervision of delegated tasks or procedures. Each registered professional or licensed practical nurse shall supervise all nursing tasks or procedures delegated to a designated unlicensed person in the school setting in accordance with the following conditions.

- (a) The registered professional nurse shall determine the degree of supervision required after an assessment of appropriate factors, including the following:
 - (1) The health status and mental and physical stability of the student receiving the nursing care;
 - (2) the complexity of the task or procedure to be delegated;
 - (3) the training and competency of the unlicensed person to whom the task or procedure is to be delegated; and
 - (4) the proximity and availability of the registered professional nurse to the designated unlicensed person when the selected nursing task or procedure will be performed.
- (b) The supervising registered professional nurse may designate whether or not the nursing task or procedure is one that may be delegated or supervised by a licensed practical nurse.
- (c) Each delegating registered professional nurse shall have a plan to provide nursing care when the delegating nurse is absent.
